

Feature

- *Supports 14.025Gbps serial optical fiber transmission;
- *Applicable to 850nm wavelength laser;
- *Multi-mode transmission distance up to 100m ;
- *SFP+MSA package with duplex LC connector;
- *Support hot plug;
- *Complies with IEEE 802.3ae.

Specification

Transmission rate	14.025Gbps
Wavelength	850nm
Connector	Duplex LC Connector
Transmission distance	100m
Supply voltage	+3.3V
Ambient temperature	0°C ~ +70°C
Environment humidity	5%-85%RH
