

Desktop Paging Microphone

TS-377

Description:

The desktop paging microphone is designed with a PTT switch and a convenient lever switch handle.

Specification:

Model	TS-377
Structure	Double patented locking structure
Base material	Zinc alloy
Microphone type	Φ30 moving coil microphone
Directivity	Super and hyper cardioid polar pattern
Sensitivity	-53±3dB(0dB=1V/ubar at 1KHz)
Frequency response	100Hz-1000Hz
Output impedance	600 ohms (±30%)
Output	2mV(1KHz/94dB)
Best pickup distance	50-100mm
