

Feature

- *Unique appearance design.
- *With network interface expansion function.
- *One in three out connection unit can be connected to the controller to realize the network function.
- *Use 100M network transmission to realize hand-in-hand cascade.
- *With three switch controller ports, each interface supports IEEE802.3, IEEE802.3u, and IEEE802.3x specifications, with strong anti-interference ability.
- *The bottom box is cement-proof.

Specification

Model	TS-6C2
Overall power consumption	1.5W
Network port specification	IEEE802.3, IEEE802.3u, IEEE802.3x
Power supply	Six-core port power supply
Color	Gold
Bottom box size (LxWxH)	100x100x45 mm
Panel size (LxWxH)	124x120x7.6 mm
Weight	About 0.6kg
Installation method	Ground type
Operating temperature	-10°C~+45°C
Operating humidity	20%~80% relative humidity, no condensation
