

Description

The integrated content management touch terminal can connect to the information release system, control the program, and realize the display and release of networked digital conference information such as text data, pictures, etc.

Features

- *It supports customized display of program content through the content management system, supports the playback of pictures, videos, audios, files and other material resources, and supports multiple audio and video encoding formats, picture formats, and file formats.
- *The program supports setting the playback mode and schedule, such as periodic playback, continuous playback, interstitial playback, idle playback, etc. The program validity period can also be set.
- *The device supports scheduled power on/off tasks, scheduled restart tasks, and scheduled screen off/on tasks, and can be set to single, daily, custom and other modes.
- *The device supports subtitle insertion (marquee) and supports customizing text content through the content management system, including text size, text background, text color, scrolling speed, and display position.
- *The device supports adjusting playback volume, device restart, device time synchronization, etc.
- *The screen is light-resistant and has a 1080P HD display with high brightness and contrast.
- *The device supports touch interaction and wall-mounted horizontal or vertical screen display of promotional materials.

Specification

Operating system	Android 11
Display	15.6 inches
Resolution	1920 × 1080
Proportion	16:9
Brightness	≥250cd/m ² (typ.)
Contrast ratio	700:1
Reaction time	30ms
Touchscreen	G+G tempered glass capacitive screen, supports 10-point touch mode
Viewing area	345.16(H)×194.59 (W) mm
WIFI	Support WIFI-2.4G
Bluetooth	Support Bluetooth 4.1
CPU	RK3568, quad-core 64-bit A55, up to 2.0GHz
Memory	2G
Storage	16G
Ethernet	10M/100M/1000M adaptive Ethernet
TF card	Self-flying TF card socket, supports up to 128GB TF card
Video playback	Support mp4, mkv, wmv, mov, flv, etc.
Body interface	Standard 2 × USB3.0 / TF card / RJ45 (supports Gigabit network) / HDMI output × 1 / 3.5 headphone jack / DC jack
Speaker	8Ω 2W×2
Other	Support automatic power on/off
Language	Simplified Chinese/English
Power supply	Power adapter 12V/2.6A/POE power supply
Voltage	100V~240V,50-60Hz

Content Management Terminal TR-0745

Content Editing and Management Service Software V1.6

Rated power consumption	≤16W
Standby power	≤1W
Operating temperature	-5°C ~ 45°C (operating temperature of the screen is 0°C-40°C)
Storage temperature	-10°C ~ 50°C
Operating humidity	30% ~ 85%
Storage humidity	10% ~ 90%
Frame color	Space Gray
Weight	2.4 kg
Dimensions (W x D x H)	369.4 × 219.4 × 32 mm
