

Landscape Garden Speaker

PA - 300SI

Material: organic resin

Note: Due to continuous product updates, product color and installation dimensions should be subject to the actual product. The color page is for reference only.

Specification

Model	PA -300SI
Power(100V)	7.5W/15W
Power(70V)	3.8W/7.5W
Frequency response	80Hz -20KHz
Sensitivity	80dB
Maximum sound pressure level	95dB
Speaker unit	5"
Installation dimensions (mm)	300mm
Weight	2.75kg
Product dimensions (mm)	317x190x318mm
Impedance	Black:COM,White:1.3KΩ,Green:670Ω
