

Wall Mounted Speaker

T-301K

Material: PS material

Feature:

- * White indoor luxury wall mounted speaker, one-piece injection molding structure, neat and elegant appearance, full of simplicity and beauty.
- * One-piece stamping and forming mesh grille, with acoustic sound-transmitting cotton mesh inside, can prevent damage to the speaker unit by dust and water droplets.
- * Equipped with a 4-inch mid-woofer unit and a 2.5-inch tweeter unit, it provides clear and bright sound, extremely transparent and penetrating treble, deep booming and elastic bass, mellow and melodious alto performance.
- * The built-in high-performance audio transformer can reduce the loss caused by impedance in the circuit.
- * Simple wall mounted installation.
- * Suitable for schools, supermarkets, hotels, shopping malls, leisure places, etc.
