

Wall Mounted Speaker

T-601YW

Material: wooden housing

Feature

- * The indoor wall-mounted speaker is made of high-density fiberboard, with elegant appearance design and white veneering process, which can effectively prevent resonance.
- * The 5-inch full-range speaker is designed with a high-transmittance acoustic mesh cloth to prevent dust or liquid from entering and affecting the sound quality, which can increase the service lifespan of the speaker and minimize the attenuation of the sound.
- * Self-contained buckle hoisting system for easy and convenient installation.
- * Built-in high-performance 100V audio transformer can reduce the loss caused by impedance in the circuit.
- * Suitable for hotels, shopping malls, schools, etc.

Specification

Model	T-601YW
Rated power (100V)	6W
Rated power (70V)	3W
Sensitivity	89dB
Impedance	Black: COM Red: 1.67KΩ
Frequency response (-10dB)	120-20kHz
Speaker unit	5"×1
Dimension	137×125×222mm
Weight	1.33kg
