

Horn Speaker

T-720X

Material: all aluminum alloy

Description:

All aluminum alloy structure, stainless steel bracket, wide frequency domain explosion-proof speaker, strong sound penetration and wide coverage.

Specifications:

Model	T-720X
Rated power (100V)	15W, 30W
Rated power (70V)	7.5W, 15W
Impedance	Black-COM White-330Ω Green-670Ω
Frequency response	300Hz-13KHz
Sensitivity	102dB±3dB
Waterproof level	IP66
Explosion-proof level	Ex nA IIC T6 Gc
Dimension	247×247×290mm
Weight	2.1Kg
