

Wall Mounted Speaker

T-778H

Material: plastic

Description:

High-grade indoor wall-mounted speakers, multi-power fixed resistance and fixed pressure selection, modern sense of arc design, 2 frequency division design, high cost performance, easy and quick installation. Suitable for hotels, conference halls, etc.

Specifications:

Model	T-778H
Rated power(100V)	7.5W, 15W, 30W, 60W
Rated power(70V)	3.75W, 7.5W, 15W, 30W, 60W
Maximum sound pressure level	107dB
Input	70V/100V/8Ω
Sensitivity (1W/1M)	89dB
Impedance	1.3KΩ/ 670Ω/ 330Ω/ 165Ω/ 81Ω
Frequency response	100Hz -20KHz
Dimensions	450×295×290mm
Weight	6.2Kg
