

## Features

- \*Color wheel: 7 colors + white light; with half-color effect; with two-way rotating rainbow effect
- \*Gobo wheel: 1 fixed gobo wheel, 7 gobos + white circle
- \*Dimming: 0-100% linear dimming
- \*Strobe: 0-15 times electronic strobe, adjustable speed; random strobe and pulse strobe can be selected
- \*Scanning range: horizontal 540° (16-bit accuracy), vertical 172° (16-bit accuracy)
- \*Intelligent heat dissipation: two sets of light sources are equipped with temperature control protection; fan intelligent speed regulation

## Specification

Input voltage	AC110V-240V 50/60Hz, 120W
Light source	Light source 1 (color): 6*10W LED; Light source 2 (pattern): 1*45W LED
Life expectancy	50000H
Beam angle	Dyeing light emission angle: 20°; Pattern light emission angle: 9°
Control method	Self-propelled mode, DMX mode, voice control mode, slave mode
Channel	Channel 13/17
Lighting material	V0 flame retardant ABS
Protection level	Ip20
Lamp size (L×W×H)	233×233×232mm
Packing size (L×W×H)	280×238×243mm
Gross weight	3.05kg
Net weight	2.4kg
