

### Feature:

- \* Preheating time: about 20 minutes.
- \* Fog output: 25000 cubic feet per minute.
- \* Coverage: about 300 square meters.

### Specifications:

Model	TL-SL622
Input voltage	AC 110-240V 50/60Hz, 3500W
Control mode	Manual Control
Water capacity	About 12L
Protection class	IP20
Product size (L×W×H)	440×375×380mm
Package size (L×W×H)	480×440×460mm
Gross weight	10.3kg
Net weight	7.9kg
