

Console

TL-EM955

Features:

- * Specifications: 17" capacitive touch screen
- * Host: 1 split industrial human-machine interface
- * Resolution: 1280×1024 pixels
- * Contrast: 800:1
- * Brightness: 300cd/m²
- * Network interface: two Ethernet ports
- * Data transmission rate: 10/100 Mbit/s
- * Equipment power-on button: 1 AC220V
- * Equipment power-off button: 1 AC220V
- * Emergency stop button: 1 AC220V
- * Electric lock switch: 1 AC220V
- * Up button: 1 DC24V
- * Speed potentiometer: two
- * PLC input: 1 DC24V
- * Wiring method: Connection between console and control cabinet - DB15 finished line connection, AC/DC power line - 3-core ohm connector wiring

Specification:

Input voltage	AC220V, 50Hz
Color	Black
Installation method	Desktop installation
Product size (L×W×H) 808×420×127.5mm	808×420×127.5mm
Empty size of wooden box (L×W×H)	885×500×205mm
Net weight	12.3kg
Gross weight	24kg
